hushfree.L

HushFree.L is an acoustic pod with an acoustic class A according to the ISO 23351-1:2020 standard, with new lighting with an intensity of 500 lux at the level of the tabletop. It allows you to spend a lot more time meeting and chatting online while maintaining peace and quiet. The pod is an ideal alternative to traditional conference rooms. It works great for larger business meetings, presentations, video conferences in a larger group, and team meetings – both stationary and online.

Design the interior yourself or choose ready-made table and sofas – two or four – and additional coffee tables. HushFree.L allows you to conduct meetings for 4-8 people depending on the selected configuration.

**FEEL THE
FREEDOM
OF CHOOSING
HOW AND
WHERE
YOU WORK!**

LONGER VIDEO CONFERENCES, ONLINE CALLS, PRESENTATIONS AND MEETINGS IN LARGER GROUPS JUST GOT BETTER!

EXCEPTIONAL ACOUSTIC COMFORT

High class A acoustic comfort according to the ISO 23351-1:2020 standard for office acoustic booths.

BREATH EASIER – STAY LONGER

The new ventilation system in the pod circulates the air in the pod even faster, ensuring optimal working conditions.

EVEN BETTER LIGHTING FOR AN EFFICIENT WORKPLACE

The new LED lighting system in the pod provides lighting with a light temperature of 4000 K and 500 lux at the tabletop level for even more effective work.

CONFIGURE THE POD AS YOU WANT

The universal design of the acoustic pod makes it fit into the interior of any office space. You can equip the pod the way you want – according to your needs and preferences.

MOBILITY – FEEL THE FREEDOM OF CHOOSING A LOCATION

The pod has built-in wheels, thanks to which it can be freely moved around the office without having to dismantle it.

NEURODIVERSITY – WE SUPPORT INTEGRATED TEAMS

The pod creates a working environment that takes into account the needs of atypical people in terms of work organisation, space, communication and perception.
