FOR BETTER VIDEO CONFERENCES AND HYBRID WORK

**hushoffice**

**WE PROVIDE SEPARATE  
MOBILE SPACES,  
REPLACING STRESS WITH  
HARMONY & PEACE.**

HushHybrid was designed to meet current expectations about effective work model. Is dedicated for comfort solo work, especially for videoconferences. The interior can be extended by place for all-in-one computer, and face LED lightning on the sides of the screen. The table inside can be pulled out additionally towards the user for comfortable work and make more workspace. HushHybrid is mobile and has built-in soft seating.

**HUSHHYBRID IS A PERFECT PLACE FOR:**

Private calls and videoconferences

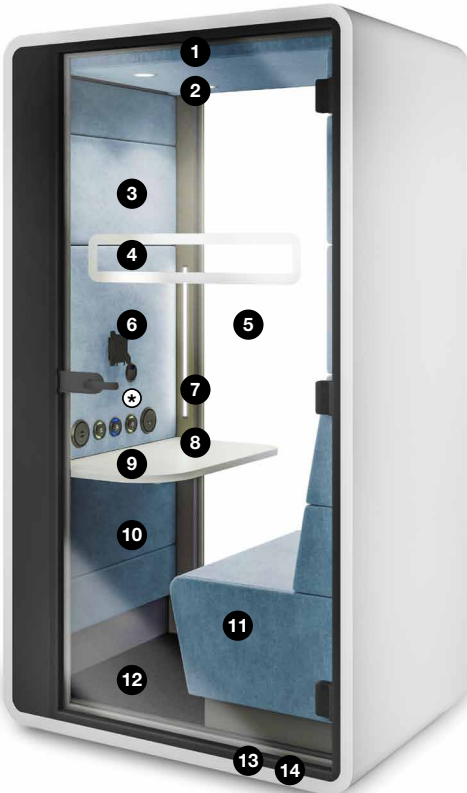

Webinars, both as a speaker and participant

# WHY IS THE HUSHHYBRID A UNIQUE OFFICE SOLUTION?

## COMPACT

HushHybrid is a solution for optimal space management – the small dimensions and weight allow it to be set or adjusted to the current needs of any organization.

## ADAPTED TO CURRENT NEEDS

It is the best solution for remote work, video and audio-conferencing. Ensure good audibility, visibility (LED lighting), comfort in the position and functionality (USB and electric sockets).

## COMFORTABLE TO USE

It provides an excellent user experience and best working quality, f.ex. thanks to soft seating, a sensor which activates the lighting and ventilation, LED lighting and place for AIO computer.

## AGILE

HushHybrid is equipped with castors which allows you to move it around the office whenever you need.

- 1 VESA mount for screen installation
- 2 Additional LED face lighting with adjustable intensity
- 3 Control panel
  - 2 x USB socket
  - 110/230V power module
  - dials to adjust fans' speed, face lighting, and ceiling mounted lights
- 4 Tabletop with adjustable depth (40 mm / 1,6 in range)
- 5 Front and back glass sticker for increasing user privacy
